**Califon's 12<sup>th</sup> Annual Memorial Day Tribute**

*By Gill Smith*

On Monday, May 27, 2013, the Califon Recreation Committee will proudly present its 12<sup>th</sup> Annual Califon Memorial Day Parade. The parade will proceed down Main Street and will continue on to Califon Island Park.

In honor of those being remembered, Saint Ann's Drum and Pipes will play from the center of the Califon Bridge. A memorial service will held at noon next to the Califon Veterans Memorial. The National Anthem will be sung by the Voorhees High School Choir while local scouts raise the American flag. The 15<sup>th</sup>, NJ will close the memorial service by performing a 21 gun salute as everyone pauses for a moment of silence.

Afterwards, there will be food and drinks for purchase by Califon Fire Company. Also joining the festivities are the Kona Ice Truck, Fun Fitness on Wheels, Kidz on the Go, and more!

Community groups and organizations, antique cars and tractors, floats, animals (*with their owners!*), musical ensembles, etc. are all welcomed and encouraged to participate in this annual event. Please call Gill Smith @ 908-832-2235 to register or for additional information.

**POLICE REPORT:  
ZERO TOLERANCE FOR SPEEDING**

You may have noticed an increase in the number of cars being pulled over in town for speeding. This activity is leading up to an all-out Zero Tolerance for Speeding campaign which will take place at an undesignated time this spring. The WTPD will assign numerous cars to blanket Califon with patrols during this time. If you don't already watch your speed in town, you may want to become aware of what 25 mph REALLY feels like. There will be no warnings given out during this crackdown!

In addition, the police will be starting a Zero Tolerance for Vandalism this spring. This campaign is especially important with the new playground in the park. Park hours and rules will be strictly enforced.

In other police news, Chief Bailey and other officers have been working closely with the school on the subject of student safety in the wake of school violence.

**SPRING BRUSH PICKUP CANCELLED**

Due to the severity of Hurricane Sandy in October of 2012 and the very costly clean up efforts undertaken by the Borough in the storms aftermath, the brush pickup and chipping, normally scheduled for May of each year, has been cancelled for this spring. For residents that still have tree limbs, stumps, or large brush on your property that needs to be disposed of, please contact Michael Plushanski at Greenrock Recycling, 3 Frontage Rd., (between Rt. 78 exits 12 & 13), Hampton, N.J. 08827, at (908) 268-8227 for more information and a price sheet.

## EAGLE SCOUT AWARD

Luke Conway, a Voorhees High School senior, was recently awarded his Eagle Scout Award as a member of Troop 192 in Califon. Luke has been a part of scouting since kindergarten. After earning all required merit badges, he completed his community service leadership project by refurbishing the Califon Community Calendar and the area around it. He relocated the sign, and created a gravel seating area nearby, installed landscaping, built several benches and cleared the site. The area is located between Shannon's Fly and Tackle and the Califon Bookshop. The project was designed to provide an area to advertise community events and to allow people to gather to sit, to read and to enjoy the outdoor space downtown.

Fellow Scouts and leaders of his troop, and various members of the community aided Luke in his project.

## NELLIE HOFFMAN HOUSE UPDATE HUNTERDON - 300 YEARS OF HISTORY

The aftereffects of the unfortunate "puff back" at the NH house are almost totally cleaned up. Re-painting was scheduled to begin April 17. The Califon Preservation Committee and the town are hoping to have the house ready to take part in Hunterdon County's 300<sup>th</sup> Anniversary celebrations. Each town is being asked to plan a special event during 2014 to recognize its place in the county history. While the exact plans are still under discussion in Califon, our town-owned historic site – the Nellie Hoff-

man House – will play some part in our tribute. Watch the Crier and the website for more information about these events. If you'd like to get involved in Califon's celebration, contact either Gill Smith or Kathie Andersen, both councilpersons. If you'd like to get involved on the county level, visit the website [www.hunterdon300th.org](http://www.hunterdon300th.org).

## CONGRATULATIONS TO CALIFON SCHOOL'S ELECTRIC MONKEYS DESTINATION IMAGINATION TEAM! LET'S GET THEM TO KNOXVILLE!

An amazing thing happened recently...a Califon School team won **first place** in their challenge at the NJ statewide Destination ImagiNation® competition, and will be going to the Global Finals in Knoxville, Tennessee! Each year, over 100,000 students from 56 countries and throughout the United States compete in local Destination ImagiNation®, or "DI" competitions. DI, simply put, is "the world's largest creative problem solving program for kids!" DI requires teams of up to 7 students to display teamwork, problem solving, innovation, creativity, and resourcefulness in devising a unique solution to a challenge, which can have a focus that is theatrical, structural, improvisational, scientific, or technical. Teams must also demonstrate creative, quick, on-the-spot thinking skills to solve the Instant Challenge.

The Electric Monkeys, comprised of first-time participants Hailey Ader, Benji Beard, Ben Hemberger, James Martin, Lindsay Murin, Mark Peter, and Emma Zande, under the guidance of team manager Melinda Hemberger, impressed the judges with their innovative problem solving and creative, whimsical approach to the *In The Zone* challenge, elementary level. Fifth grader Ben Hemberger stated, "I learned that teamwork helps you through life because it's hard to do things by yourself. We all contributed to the team in our own way."

Not only did Califon School compete against more experienced teams, they also went up against much bigger districts with far greater resources. The team from our small 142-student district must now begin fundraising efforts to raise the \$8,000 it will cost to send a team of 7 students and 2 advisors to Knoxville.

Will you please consider making a contribution to help us get to the Global Finals? This is a once-in-a-lifetime opportunity for these students, whom we know will represent Califon well. That's where you come in! Here are some ways you can help:

1. Visit our online donation site at <http://www.razoo.com/story/Help-Send-The-Electric-Monkeys-To-Global-Di-In-Knoxville>

2. Come to our Cinco de Mayo Auction and Chili Contest, scheduled for Sunday, May 5, at 4:00pm, at Lower Valley Presbyterian Church on Route 513 in Califon.

3. Make a tax-deductible contribution, which can be sent to the Califon School PTA, with a notation for DI 2013, to Califon School, 6 School Street, Califon, NJ 07830.

4. Own a business? Have a skill or service to contribute to our auction? Please contact Jessica @ [jjcb20@comcast.net](mailto:jjcb20@comcast.net) for more information.

**THANK YOU FOR YOUR HELP!**
